

## PROCUREMENT OF SERVICES

---

ATRS shall utilize an equitable and open system of awarding contracts to providers of all contractual, management, and consultant services, including, but not limited to: (1) construction architects, engineers, and contractors; (2) building managers; (3) real estate, legal, and investment consultants; and (4) actuaries and auditors.

The system of awarding contracts will assure that all bona fide providers of such services will have equal opportunity to submit competitive bids or competitive proposals for consideration.

The Executive Director shall develop procurement procedures and a plan for implementing the process of awarding contracts.

The Board of Trustees shall approve all procedures and contracts related to the procurement of services.
